## The Gospel of Our Glorious God

London Event — Saturday 30 November 2013

**grove** chapel

**BSE is a one-day event for young people aged 15+ who want to find out more about the Christian Faith.**

Its aim is to help those who are already Christians to dig a little deeper into the Bible and give those who aren't yet Christians a chance to find out first-hand what it's all about.

The day will be a mixture of teaching and a question time, with an opportunity to mix with other young people from different backgrounds.

The cost for the day will be £7.00 — this will include a light lunch. For students and unwaged the cost is £4.00.

**Spread the word and See you there!**
