Australian Conference

This conference in the splendid venue of **The Collaroy Centre, Homestead Avenue, Collaroy, Sydney, NSW, 2097**, first met in 1979, with the purpose of strengthening like-minded ministers of different denominations. While the primary intention is to help preachers, it is open to all those — young or old — concerned for spiritual recovery and advance. Apart from a limited number of rooms for married couples, we regret there is no overnight accommodation for single women.

All wishing to attend for all, or part of the time, must register in advance.

Friday 21 February: 7.15 am – Breakfast & Departure

‘The Genevan theology is always in the front whenever a fearless position has to be taken in behalf of an unpopular but revealed truth; whenever the Christian herald must announce the solemn alternatives of salvation and perdition to a sensuous, pleasure-loving, and an irritable generation; whenever, in short, the stern and severe work of the perpetual campaign on earth against moral evil has to be done.’

W. G. T. Shedd
